Med 251-13 8c: 3

Sir,

With reference to your docket No. 1579 Med. 251-13-2 dated 12th August 1914, calling for my opinion as to the necessity of posting an Assistant Surgeon at Koppa (Dusserah Representative Assembly subject No. 771 of 1913,) I have the honor to state that the Local Fund Dispensary at Koppa was in charge of an Assistant Surgeon from 1894 to 1900, and that it has been subsequently placed in charge of a Sub Assistant Surgeon. Koppa is an important planting centre and it is very desirable that a medical officer with higher qualifications than those of a Sub Assistant Surgeon, should be stationed there to be available within easy access to help the Sub Assistant Surgeons of other dispensaries within the range, in cases of emergency.

2. In this connection I may be allowed to add that there are several other important places in the Province, the dispensaries whereat are now in charge of Sub Assistant Surgeons, but might with advantage be placed in charge of men with higher qualifications. It was with this object in view that I submitted to Government, in my letter No. G. 564 dated 27 th
